

STUDENT SUCCESS STORY

Abhishek Jha

...

02

STUDENT PROFILE

Name: Abhishek Jha

Hometown: Ranchi, Jharkhand

Education: B.Tech in Information Technology,
KIIT University, Bhubaneswar

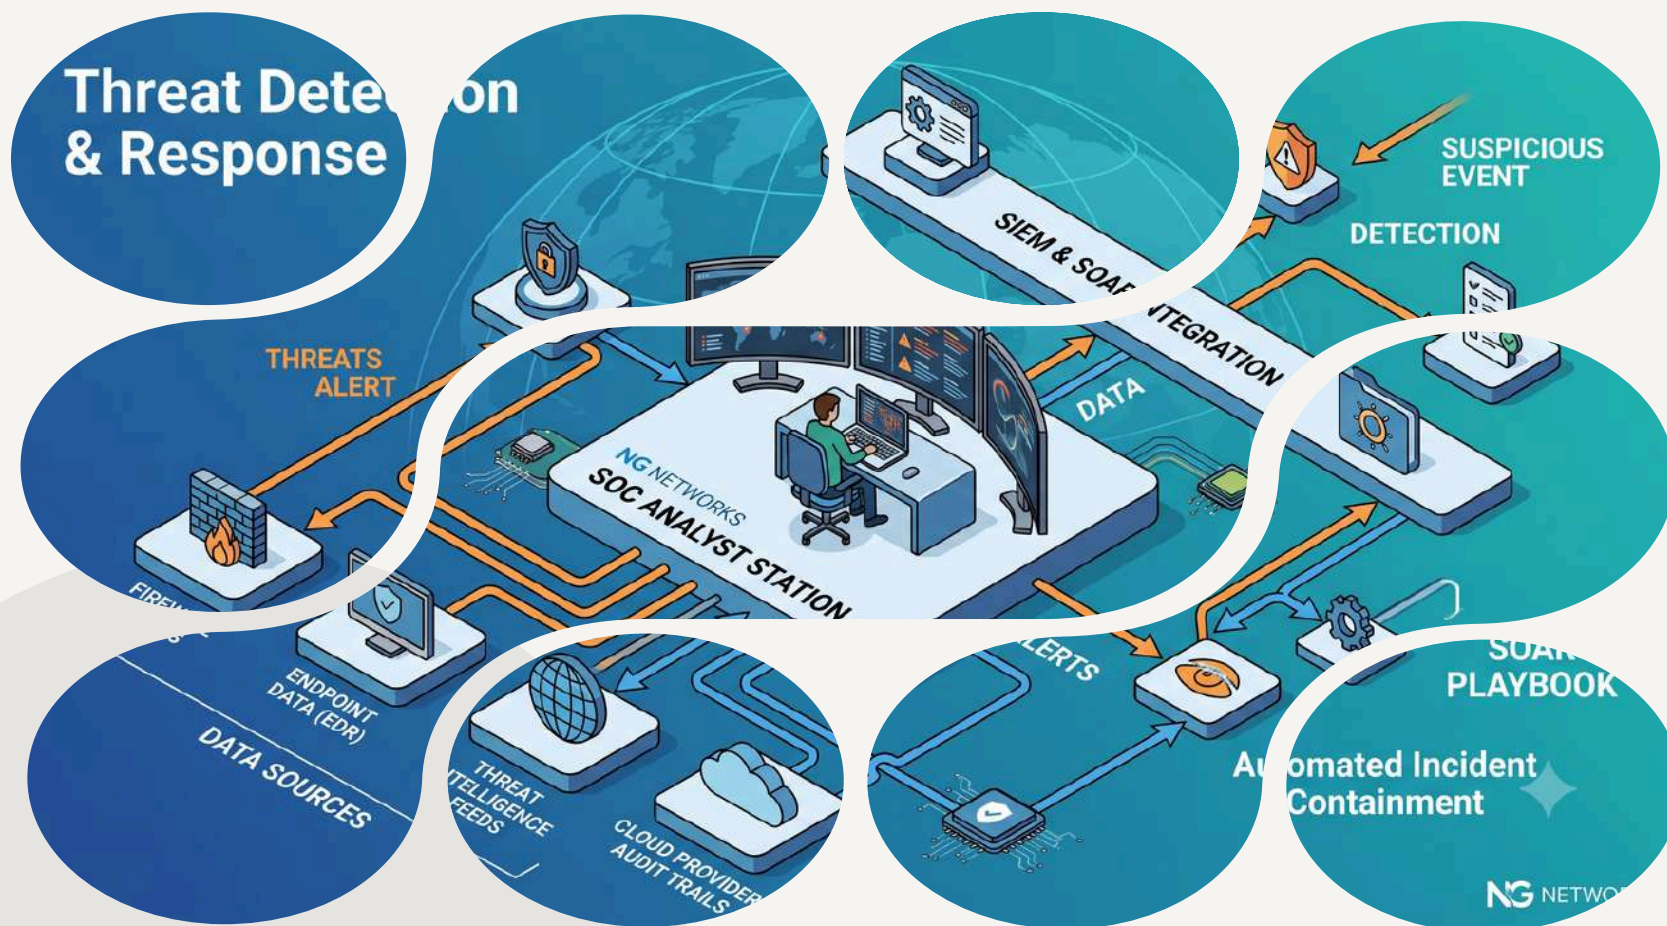

Placed At: Renovision Automations, Delhi

Package: 6 LPA

BACKGROUND

03

Abhishek completed his schooling in Ranchi before earning a B.Tech in Information Technology from KIIT University. He built a foundation in networking through online learning but wanted practical enterprise experience.

CHALLENGES

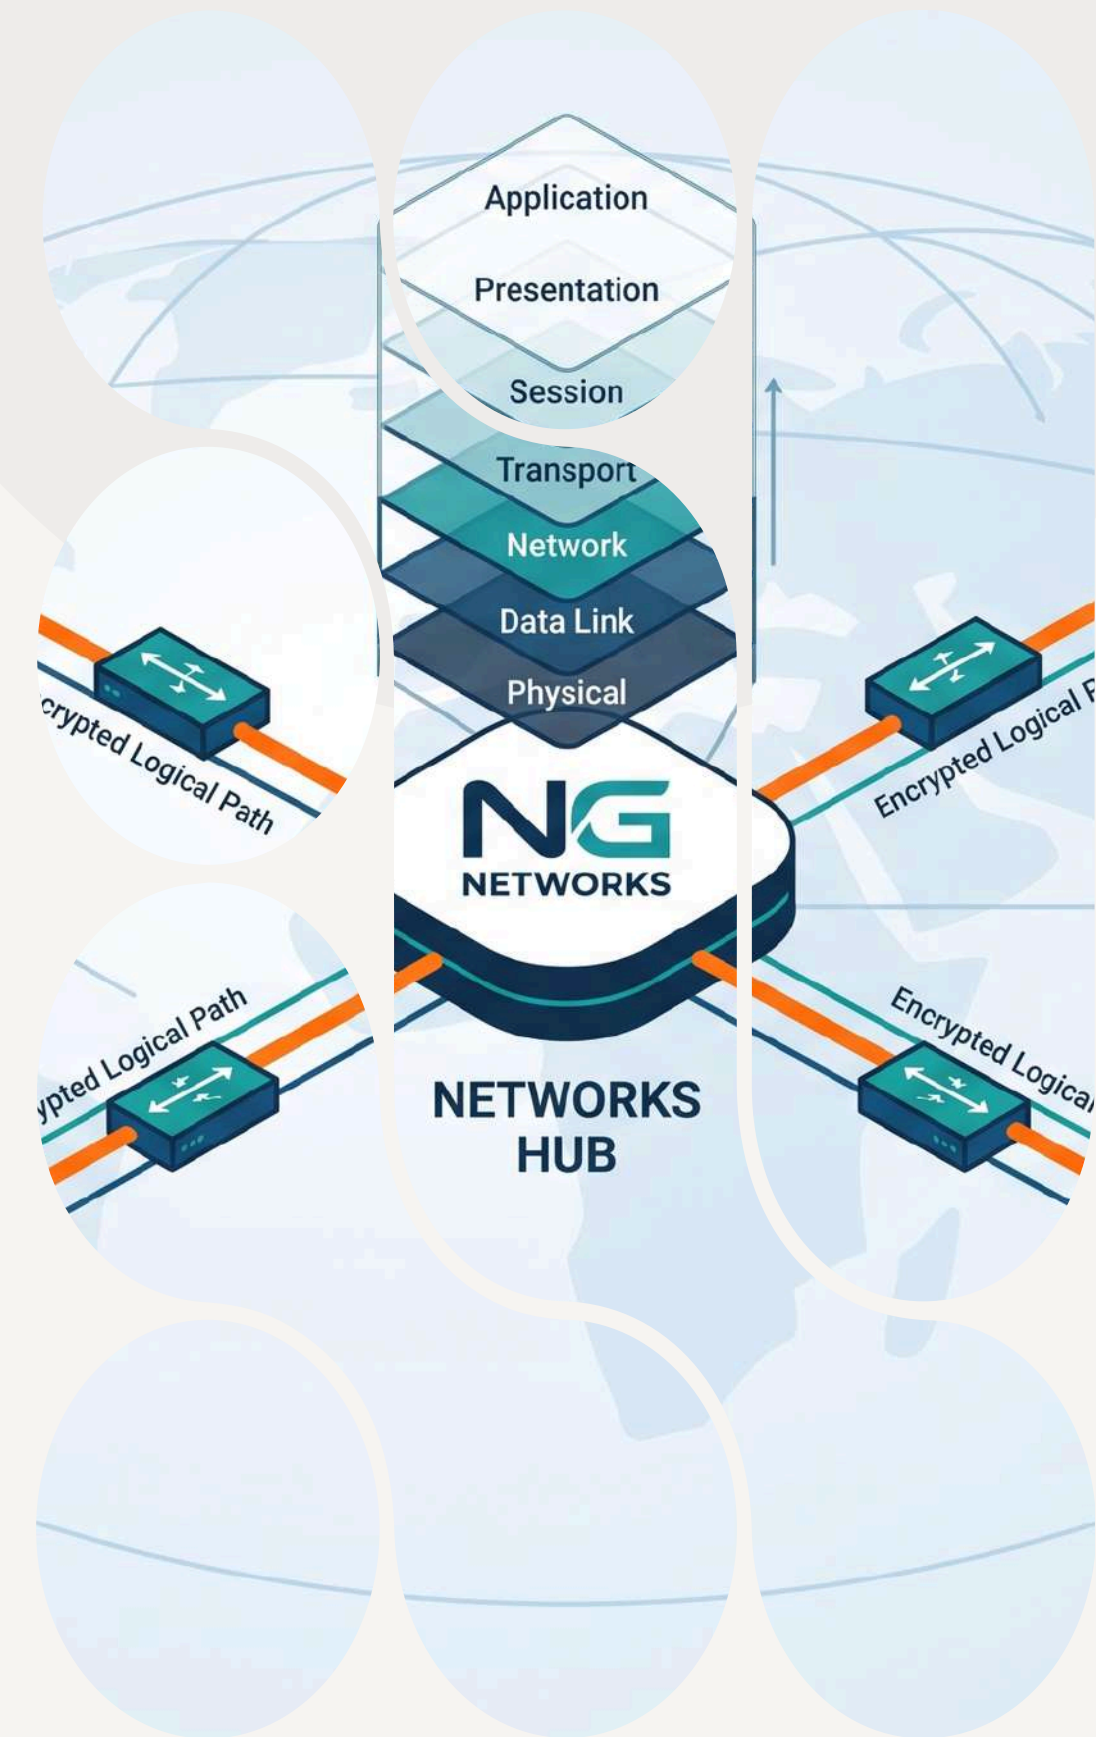

04

His networking exposure was primarily theoretical. He wanted hands-on troubleshooting with Cisco routers, switches, and firewalls, while also improving his confidence and communication for technical interviews.

WHY NG NETWORKS?

05

NG Networks provided practical lab-based training with real networking devices, enabling Abhishek to bridge the gap between theory and real-world implementation.

LEARNING JOURNEY

06

Training focused on Cisco routers and switches, firewall fundamentals, troubleshooting, enterprise networking concepts, hands-on labs, Real-time training and communication skills.

07

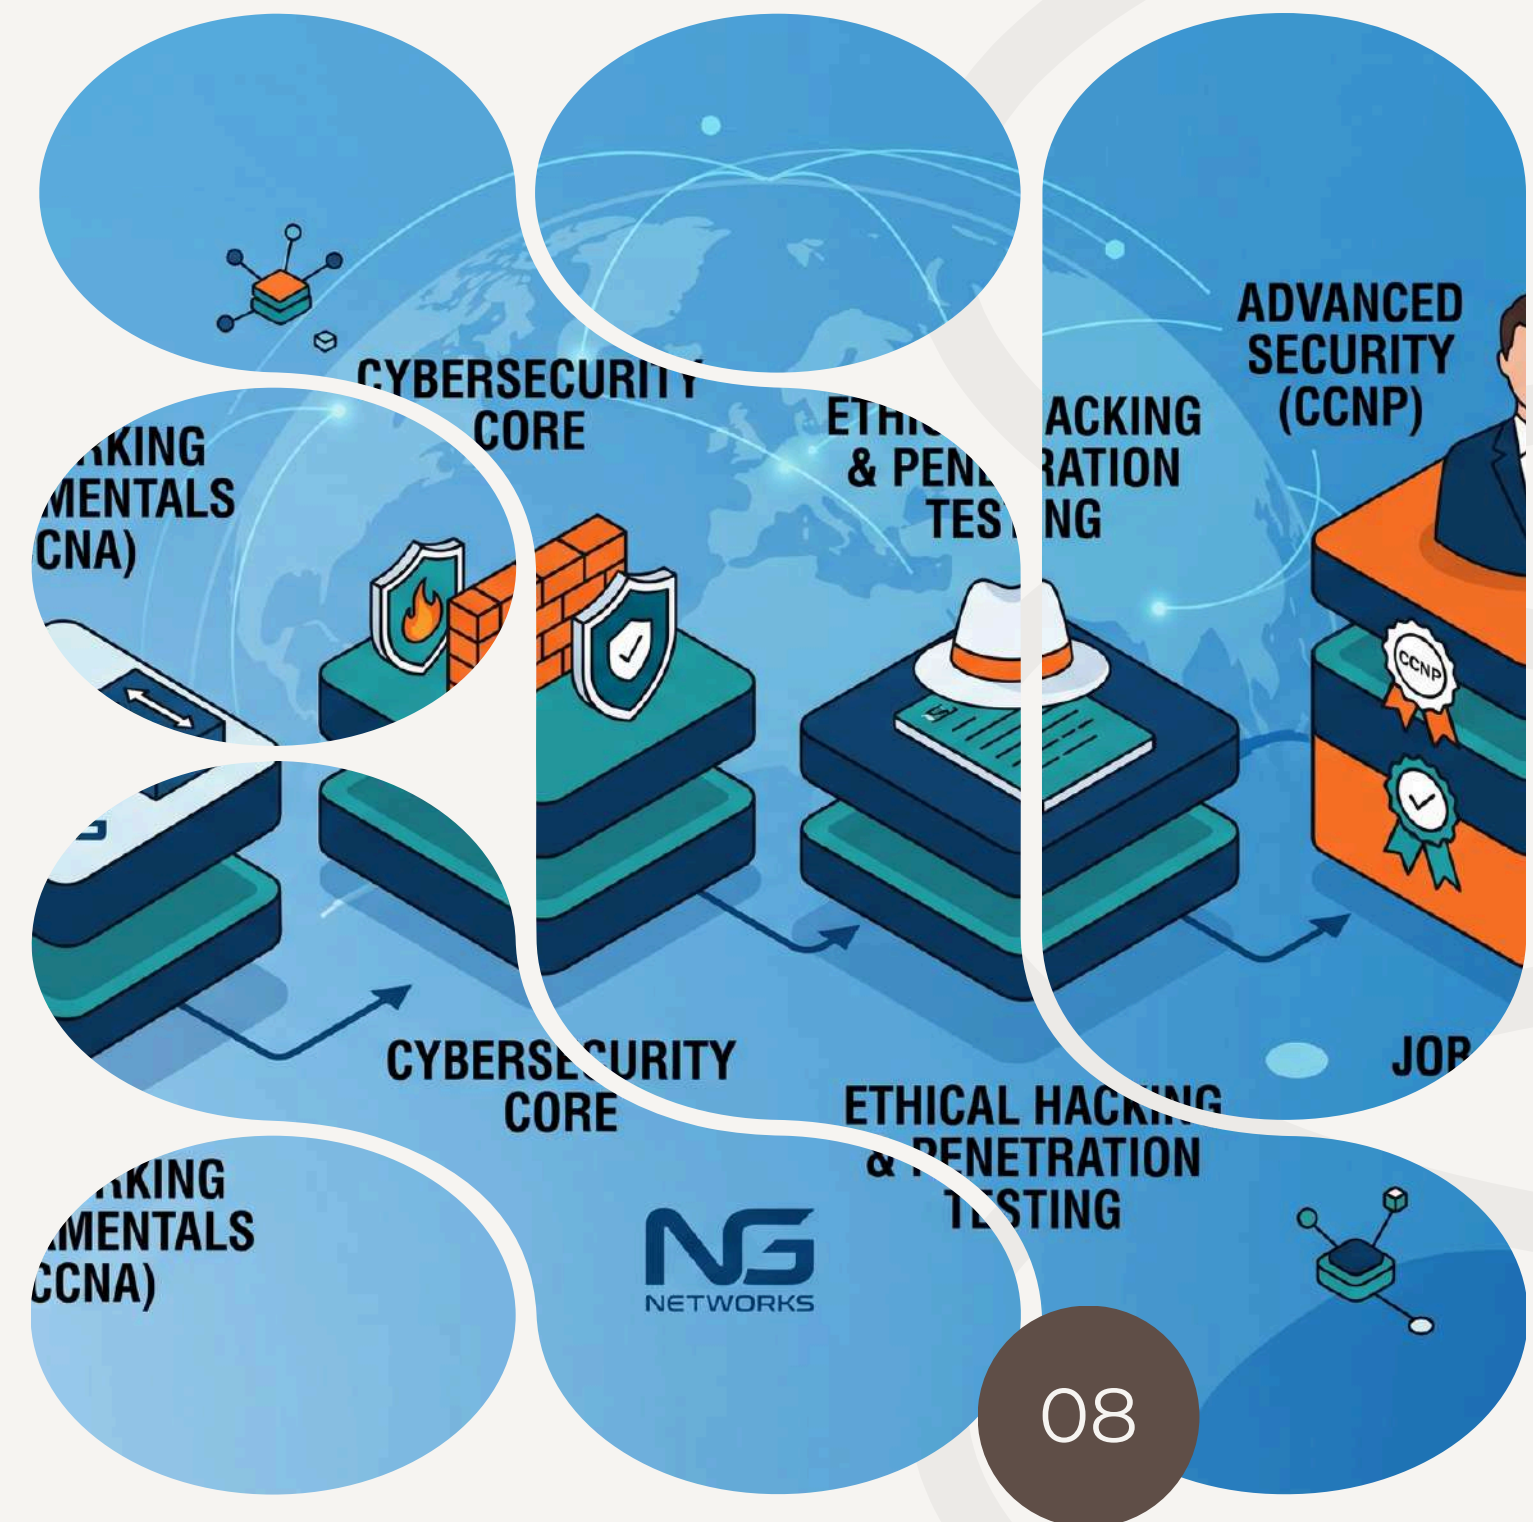

TRANSFORMATION

The Real-Time training experience helped Abhishek confidently configure and troubleshoot networking devices while improving his interview readiness and technical communication.

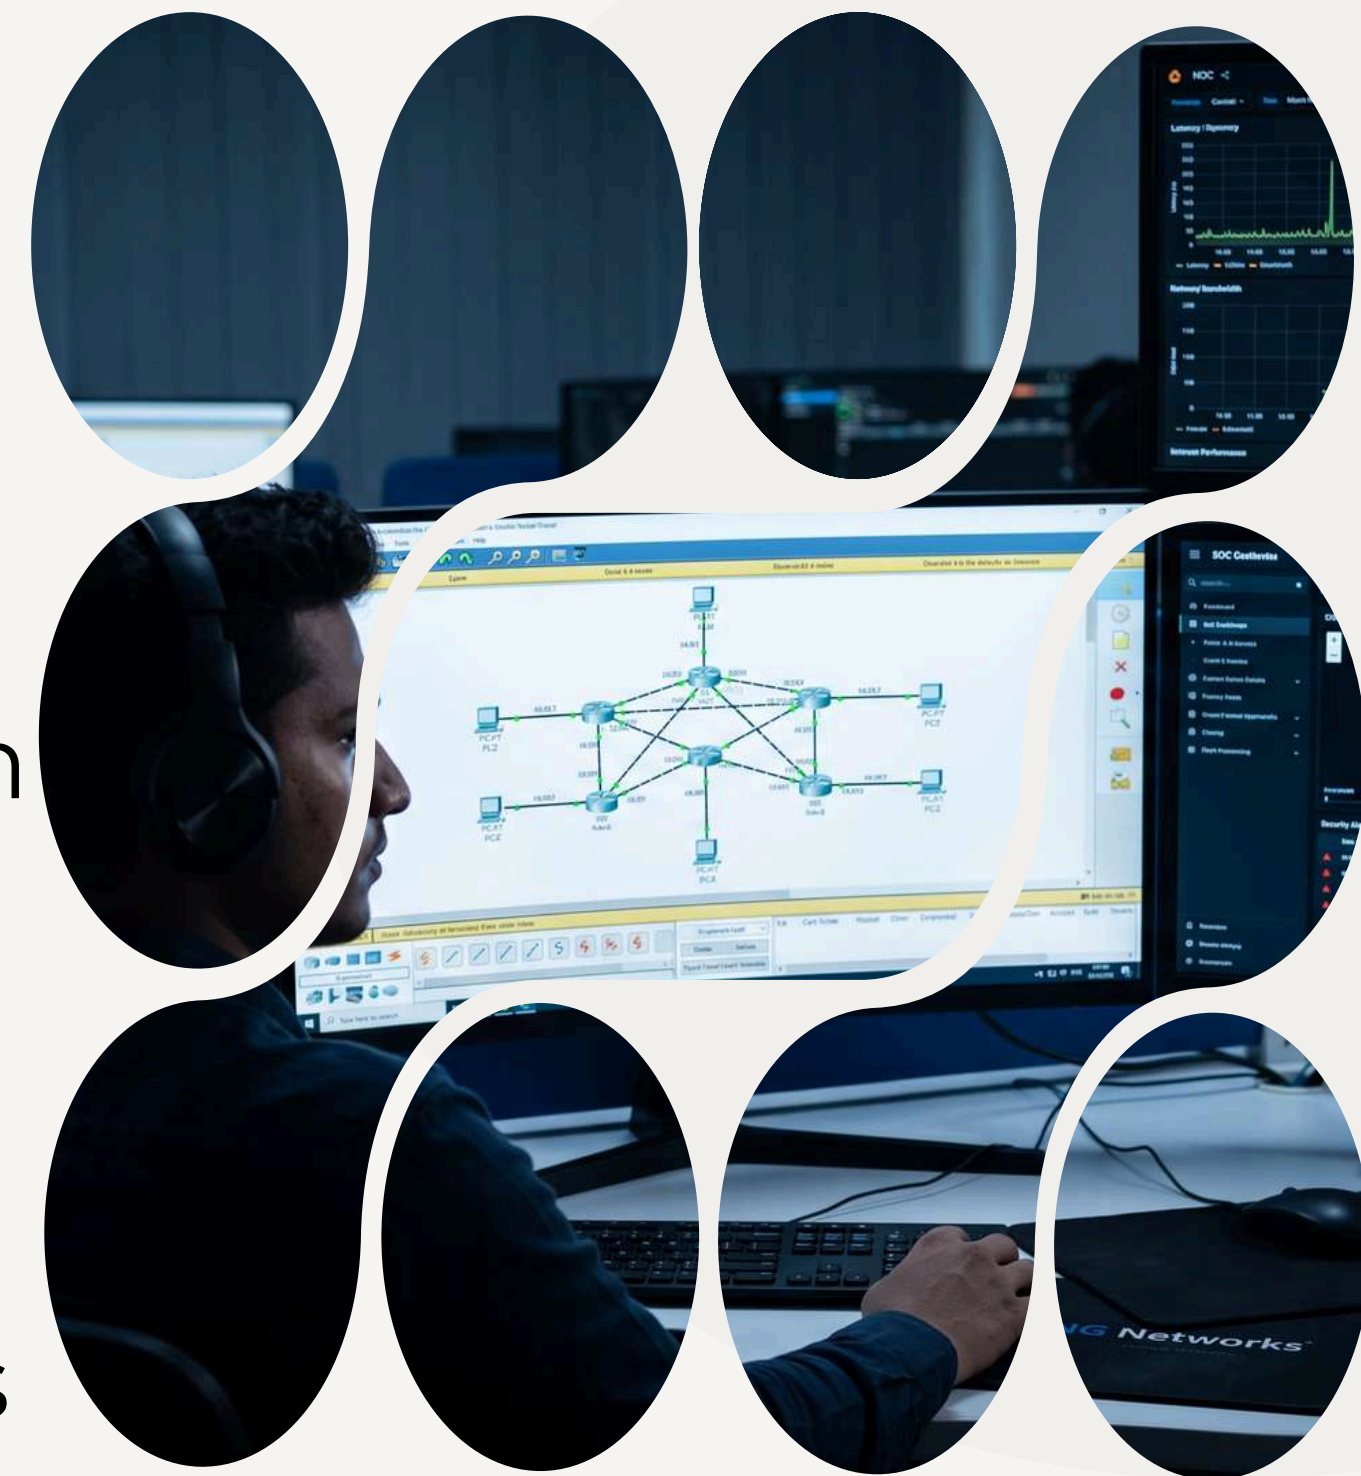

PLACEMENT SUCCESS

Abhishek secured a placement with Renovision Automations in Delhi with an annual package of **6 LPA**, marking the successful start of his professional networking career.

STUDENT TESTIMONIAL

Before joining NG Networks, my networking knowledge was mostly limited to online learning. The hands-on training gave me confidence to work with Cisco routers, switches, and firewalls. It also improved my troubleshooting and communication skills, helping me prepare for interviews and begin my career.

KEY HIGHLIGHTS

10

- 01 Real-Time Cisco networking training
- 02 Hands-on troubleshooting skills
- 03 Improved confidence and communication
- 04 Placement at Renovision Automations (Delhi)
- 05 Annual Package: 6 LPA
